ABOUT

NEW INDIAN SECURITY SERVICE & ENTERPRISES science 2003 of extensive knowledge and expertise in the security industry, House Keeping & Man power Placement services. We also undertake Govt/Civil tenders. We achieved much success through building on its policy of integrity, credibility and partnership with all of its clients. We are a unique security company as we provide a personal service with all Directors having continual involvement with clients on the day to day running of the business. We Provides peace of mind, enabling its clients to focus on achieving their business objectives, rather than dealing with the worries and concerns associated with the security of their employees and achieving their business objectives, rather than dealing with the worries and concerns associated with the security of their employees and premises.

MISSION

NEW INDIAN SECURITY SERVICE & ENTERPRISES aims to provide all of our clients with the option to receive all support services they require form one innovative and effective supplier.

IDEAL REPUTATION

With Customers

We respond quickly in a helpful way, produce creative ideas, give value for money and supply the right services on time.

Amongst Ourselves

We help and support each other, work as a team, actively recognize efforts and results and all share in the Company's success.

With Suppliers

We agree and expect clear standards, keep their promises, treat us honestly and fairly and support us well.

Our Business Aim

To successfully supply services and products and continue to evolve efficiently in a faster connected new world.

OUR SECURITY GUARDS

To ensure that we deliver a first class services we adhere to rigorous selection, screening, and training procedures. All potential employees undergo an intensive selection process with each candidate completing a searching application form which is specially designed by our Human Resources Department. Screening and vetting is then carried out which establishes the suitability and reliability of each applicant over a ten year period and beyond. Written references from former employers are mandatory. All employees also fully checked for criminal convictions to ensure they are suitable candidates to operate within the security industry.

The guarding services which we provide stretch far and beyond what most companies offer. Our value added services include such services as specialist concierge services. **Gun man, Bouncer, Cash Vans, Armed Vehicles, Customer care officers, CCTV monitoring** and full security consultancy services. Professionally trained, all our Security guards are committed in delivering the best and safest service possible Keeping up to date with the latest technology and crime patterns our security guards can take control as well as adapt to a number of circumstances.

YOUR WORLD IS MORE SECURE WITH US

A [security guard](#) is seen to privately fulfill a policing function. This may be to protect property, assets or people. Security training becomes crucial to ensure absolute professionalism and efficiency is maintained by the guards on the job.

Our security guards can dissuade thieves from retail outlets, man front desks at corporate facilities, provide crowd control at events, monitor CCTV surveillance and even patrol parking spaces.

Our aim is "Protecting your business around the clock"

Enable your people whether customers, employees or the public to feel secure no matter what the location.

Our guards can inspect your premises and recommend ways to minimise your risks of theft, accidents or any other criminal activity.

Act as a visual deterrent of crime.

Handle potential trespassing and vandalism by patrolling the premises.

Fulfilling business-mandated security policies such as monitoring CCTV cameras, gates, entrances and checking alarm systems.

Help assist with the overall management of the area.

Feel free to get in touch with our experienced security team:-
